

TORI SLEEPER

ABOUT ME

I have had the opportunity to work in roles that allowed me to combine my passion of solving complex animation and design problems to make education material more understandable and entertaining.

Videos that I have worked on have reached over 235k learners across 85 countries and have been received by over 700,000 individuals and translated into 7 languages. One video I worked on won a place in the Annual National Health Information Program.
